'I'M ABSOLUTELY FREAKING OUT'

- DANNII MINOGUE

‘Loads of fun and highly entertaining. It’s almost guaranteed that when you leave his show, your entire conversation home will be about trying to figure out exactly how he did what he did”
- NovaFM

Is it humanly possible to read someone’s mind? Or is it something else, something more? An illusion perhaps?

Whatever the case, after watching Anthony Laye in action, you’ll be convinced mind reading is most definitely possible. In fact, it’ll seem the only logical explanation.

With a powerful show that’s as dynamic as it is amazing, Anthony uses psychological tricks, reading body language and subtle non-verbal signs, to blow your mind with hilarious results. And try as you might to unlock his secrets, dissect his ability and read the same signs, you’ll always be left with a sense that perhaps you’re not the only one in control of your thoughts.

'How did, how did, how did you do that'

- Kylie Gillies, The Morning Show

‘Continually interacting with his audience, Mr Laye is simply captivating’
- Lowdown Magazine

Anthony Laye has only been in Australia a short time, but already he has made a huge impression.

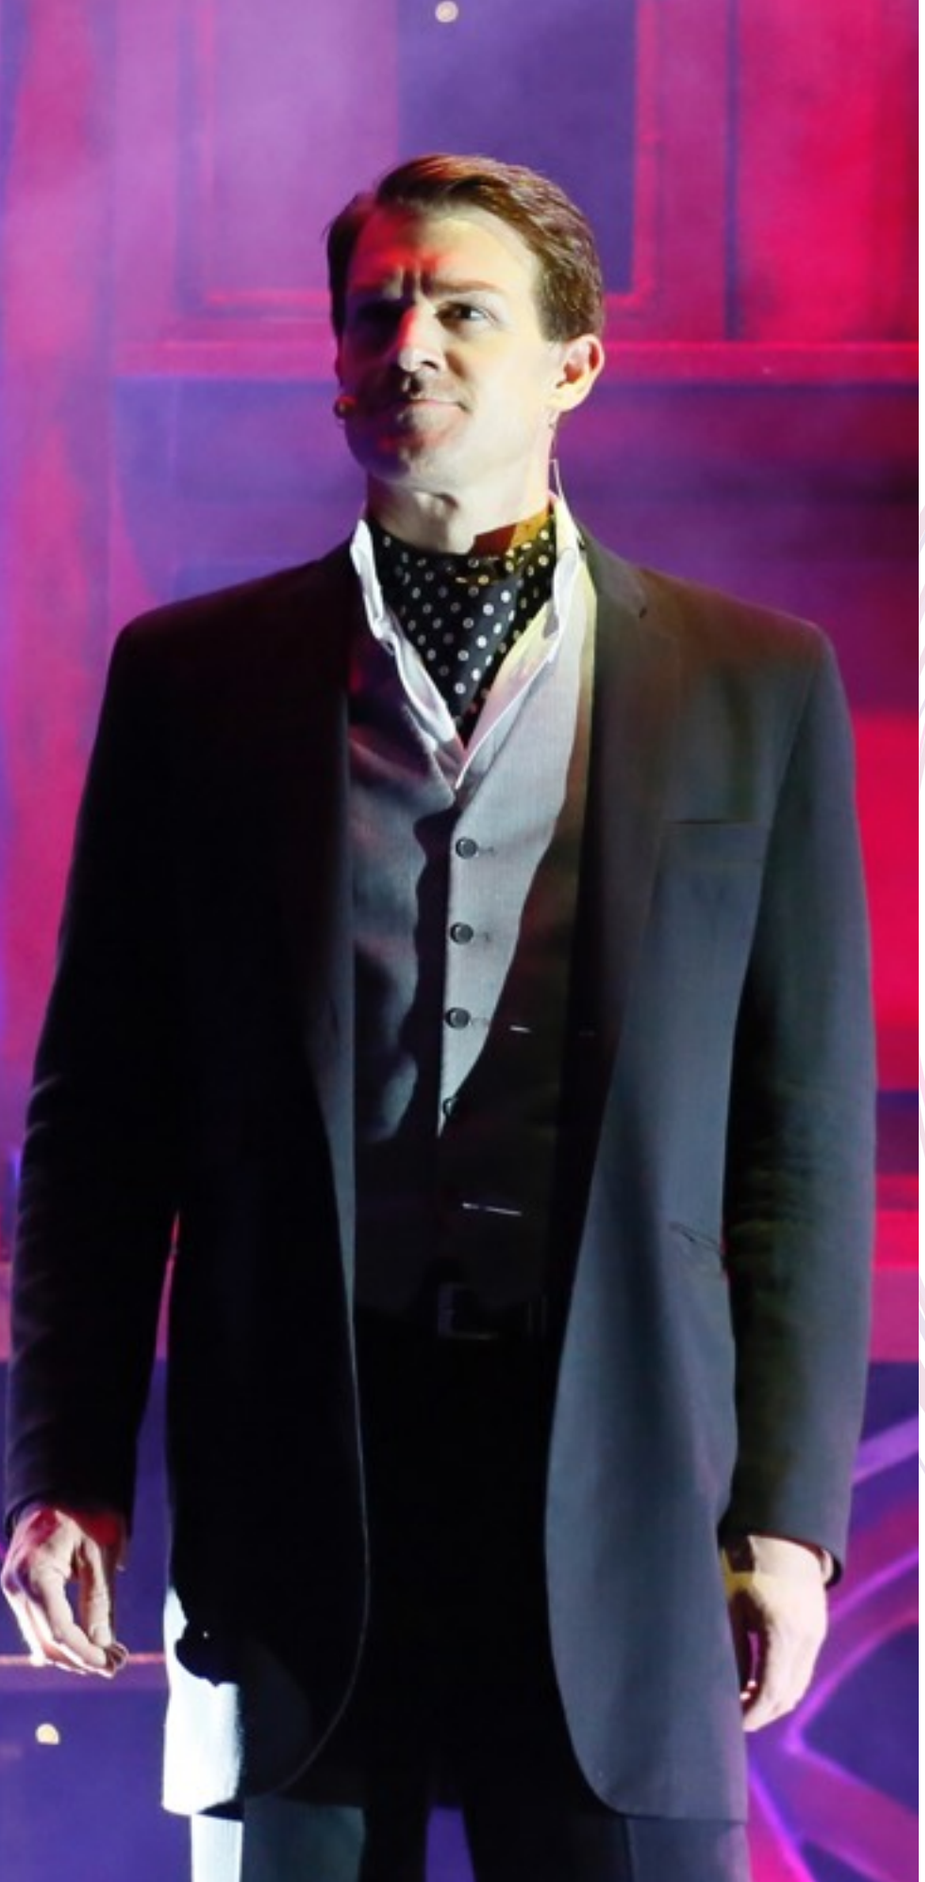
He captured the nations attention as he successfully read the mind of judge, Kyle Sandilands, on Australia’s Got Talent. Anthony’s unique skill and mind-bending show kept the entire nation captivated as he became one of the top three semi-finalists on the show.

He also performed 40 shows in 40 nights in 40 different locations to help raise money and awareness for the McGrath Foundation.

In one of his many appearances on Network 10’s morning show ‘Studio10’ as resident Mind Reader, Anthony performed a segment with host Sarah Harris, that went viral, making global news and being regarded as one of the top TV in the last 50 years of Channel 10

‘That was amazing’

-Molly Meldrum



‘Super smooth mentalist Anthony Laye unleashes his psychic powers on the audience’
- The Age

Anthony was requested to perform in the international hit production of ‘The Illusionists’ as part of their world tour. Chosen from all the other mentalists in the world, Anthony is a phenomenon not to be missed.

Will Anthony be able to penetrate? Will you surrender to his good looks and English charm?

One thing’s for certain - watching Anthony in action is a once in a lifetime experience. He’ll twist the very core of what you believe to be real and turn your world upside down, even just for a little while. You’ll lose yourself in the moment as he delves into the minds of others. Sit on the edge of your seat as he performs a breathtaking game of Russian Roulette.

Is it mind reading? Is it an acute awareness of the human psyche? Exactly how he does it is hard to say, but one thing’s for certain - Anthony Laye knows what you’re thinking.

"Anthony Laye is a truly great performer and entertainer. He engages the audience and makes you feel that he is speaking directly to you, making you feel a real part of his performance. What he does is amazing, incredible and clever. He is an artist of exceptional quality. He is also a very likeable person and acts in the most professional manner with his clients."

- Julie Heraghty, CEO, Mascular Degeneration Foundation

'If this goes wrong you will be audited for the rest of your life'

- Joe Hockey MP

‘One-half freak of nature and one-half awe inspiring mindreader’
- RIP IT UP Magazine
