Awards Night (Sheraton on the Park)

Hi Paul and the Hipnosis Crew

Once again I would like to say a big thank you to you all for doing such a fantastic job at the MIAA Awards night on 28th Feb at Sheraton on the Park. The band's professional attitude and flexibility, was not only noticed by the MIAA Committee, but by the Production crew and especially Meri Took the MD from Staging Rentals. I hope the band enjoyed themselves and that the exposure will bring many bookings. I, and many others in the room, look forward to working with you all again in the future.

Christmas Party (Blue Eyed Dragon)

Hi Paul, I just wanted to pass on the wonderful feedback we have received from our staff Xmas party held at the Blue Eyed Dragon. The staff have not stop commenting on how great the band was! Hipnosis was energetic with the music perfectly suited to the crowd and you Paul were a pleasure to deal with. As a further testament after the lunch (and music) wrapped up we went off to Rock Lilly at the Star to kick on with another live band but were left poorly disappointed at their offerings - Hipnosis rocked! Thank you again, I would have no hesitation recommending you to other potential clients. Kind regards,

Jacqueline Hippolite - Gastronomy

Christmas Party (The Hilton)

Dear Victoria (Whitney Bureau)

I am so glad we have locked down Hipnosis for the second year running. My client is ecstatic that once again Hipnosis will be performing at their staff Christmas Party. They were an integral part of the night and really set the Disco Tone!!!!! Their high energy, willingness to play, availability and joy in dressing for the part and taking part in the theme and action on the night, not only helped me do my job by enhancing the theme for the night but also pushed the audience into a 70's disco frenzy. My client went on and on that the band seemed so excited by the whole event and never appeared to be just "doing another" gig. Thank you so much for recommending them and to them for their enthusiasm, professionalism and being such fun to have along on the night. Looking forward to December. Cheers and thanks.

HESTA Australian Nursing Awards (Dockside)

Paul Winn and Hipnosis were a delight to work with. They were professional and flexible during set up, were very low maintenance for us as busy event managers, and were prompt and attentive when called to stage. They started with a high energy set that got our people up on the dance floor straight away. Thanks Hipnosis, well done on a great job and for being an important part of the HESTA Australian Nursing Awards for 2014.

Christmas Party (Novotel Olympic Park)

Thankyou for your efforts on Saturday night at our Christmas function held at the Novotel, Olympic Park. Everyone had a great time and complimented me on the band and the music. You were excellent!

Function (Luna Park)

Hipnosis were engaging and fun. They seemed to like us as much as we loved them. I have never hosted or been to a corporate function where I have seen the dance floor so packed from the first song to the last. It was outrageously good. I am super super impressed and would highly recommend them for any function. Honestly, they were outstanding.

Wedding

Dear Paul and Band,

We just wanted to write a quick note to say thank you for playing at our wedding reception. You guys were great, it really made our night and we received so much good feedback from family and friends about you. It was so good in fact that we've decided that you guys were the highlight of our wedding day. It was also really good in the months leading up to the wedding, to deal with people who were so friendly and accommodating and also so incredibly professional. We always felt very at ease & confident that everything would run smoothly, it was obvious that you all had it under control. So thanks again, we'll recommend you to all our friends getting married.

Spring Ball (ANA)

Citibank has engaged the services of Hipnosis on a number of occasions in the past 18 months due to the professionalism of the performers. Citibank has used Hipnosis at our Spring Ball held at the ANA hotel for 450 guests and our Christmas party held at the Darling Harbour Exhibition Hall for 1500 guests. At both functions the band displayed the utmost of professionalism with punctuality, dress and performance. The fact that they were able to put on diverse shows ensured that the audience were more than happy on both occasions. Not only did I receive favourable comments from the guests, but also the management from the venues that they perfomed in, on what a delight they were to work with. I have no hesitation in recommending Hipnosis for any occasion.

Awards Night (Sofitel)

On behalf of the team at Savewater, I would like to express my appreciation and thanks to Hipnosis for their outstanding and highly entertaining performance during the national 2010 Savewater awards gala evening. We were extremely delighted with the outcome of our gala night and the performance by Hipnosis helped to ensure a pleasurable evening was had by all of our guests. It was great to see the enthusiasm and energy from the band, and it was a fantastic way to end our awards ceremony.

Wedding

Hi Paul

Andrew and I just wanted to take this opportunity to say a big THANK YOU to you and your band for the AMAZING job you did at our reception. We were so impressed. You guys absolutely rocked and the over-crowded dance floor was a credit to you all. Our family and friends couldn't stop raving about you all. We just loved it and could have danced until the wee hours!

We won't be getting our professional pics until early next year I imagine, but I will be sure to forward through any band pictures then. Thank you once again. We'd be happy to provide a reference for any prospective clients of yours in the future. Hope you have a happy & safe Christmas.

Cheers

Jenna & Andrew
