Hi Andy,

Time sure has passed quickly since the ball.

I hope you received our letter of appreciation in the post.

I just wanted to let you know again that you all did a fantastic job on the night. I did mean it when I said I would love for your band to be a part of it again next year. I hope you had as much fun as I did (actually I had too much, don't tell anyone).

Hi Andy!!

Ben and I just wanted to personally thank you for your bands brilliant musical magic on our special day. So far all of the comments we have received from family and friends have been "great wedding, great band" :).

We had so much fun with you, we didn't want the night to end and we look forward to hearing you play at many more upcoming events. Our bridal party has decided to become "Jelly Bean Jam Groupies" hehe... Ben and I will not hesitate at all to recommend you to everyone we know and we truly will never forget how memorable you made our night.

We can't wait to catch up with you again Andy. You are a pleasure to be around and we wish your business all the very best success in the future...

Hi Andy

Thank you for being so fantastic! Everyone had a great night! Sorry I started packing up when you were playing your last song so I didn't get a chance to say thank you before I left. A HUGE THANK YOU! You were fantastic and the night would not have been such a great success without JellyBean Jam! I hope we are able to call on you for future events! Please thank all members of the band and crew on my behalf!

Hi Andy,

I'm sorry for the lateness of this email. Cameron and I wanted to thank you and the rest of the band for the amazing performance you did at our wedding. It would not have been as good a night if you guys weren't so great. You guys really made the night. We can't express how fantastic we think you guys were and have had several people ask us for your contact details. Hopefully we will see you again at one of our friends or families functions.

Thanks so much

Jenna & Cameron

Hi Andy,

If only we had a crystal ball to predict the weather! While I would have preferred to have the band playing up on the top deck, I think setting up inside was absolutely the right call. I was really impressed with the band's performance and received lots of positive comments from staff. They managed to get a lot of our staff up dancing which, in previous years, has been a challenge. Everyone had a really good night and Jellybean Jam definitely contributed to this.

Thank you so much for all your help with organising.

Kind regards,
Carly

Hi Andy,

On behalf of all at SCEC, we would like to thank you and the rest of Jellybean Jam for the great performance you gave at our staff Christmas party last Wednesday.

Everyone (as you could probably tell!) had a great time, and there was some fantastic feedback about the event and yourselves. You certainly got the room up and dancing pretty quickly!

Thanks again and look forward to working with you again soon.

Kind regards

On behalf of my colleagues at Hilti, I want to extend a huge thank you to you and the band for the entertainment you provided on Saturday night. I think you could tell from the crowd's reaction we were all having a great time! At the time of booking, I had not heard of Jellybean Jam before but I have since been told you are the best in town. You can be sure, from now on I too will be spreading the word.

Thanks again.

Hi Andy,

We had the best night! We got about 120 people and the band had pretty much everyone up and dancing. It was the most successful social night that we have had at the club in a while.

I had a great night as well. I still have sore legs from all the dancing! Everyone is asking when we are going to do it again.

Thanks so much to you and all of the band and crew. We had an awesome night and will definitely do it again.

Hi Andy & Band Members,

Thank you all so much for a great night.

I have always believed that music can make or break a wedding night and you guys (&girls) certainly helped to MAKE ours!!!!!

Can't thank you all enough. We all had a fantastic night and as you could see, Alanna and Dave certainly had "The time of their Lives"!!!

I think the proof was the amount of people on the Dance Floor.

Thank you again
