Toyota Xmas Party – 2011 & 2012

Tall POP Syndrome

Due to unforeseen date changes we had lost our original booking and were stuck for a band with only weeks to go for our annual Christmas event. From the moment we called TPS you could not fault them one bit... The contract was sent immediately, taking a lot of pressure off. Follow ups were easy, quick and professional.

Now onto the music.... Well what can I say, I've been organising Toyota events for nearly 10 years and this band had everyone up and dancing all night! The music was fantastic and incorporated our themed event. The band was amazing both in their performance and engaging with the guests. Everyone left on a high and spoke about it for the weeks that followed.

We loved TPS so much we have booked them again for this year!

Barbecues Galore – 2010 & 2012

Tall POP Syndrome

All went fantastic , Great atmosphere, the sets were put together well and really got the crowd dancing and involved. Absolutely awesome lead singers that nailed each song they sung

Music was current – songs in today's top 40 on the radio were performed not just 80's or the typical "party" songs

This is the 2nd annual conference we have booked Tall Pop Syndrome as they are just so great and our staff, age ranging from 25 to 60, love them! Regards,

Tanya Davidson , Retail Support Manager , Barbeques Galore
